AND
CYCLING STRATEGIES**

Key new policy for City of Winnipeg (2008):

That a policy be adopted to incorporate Active Transportation facilities into any reconstruction or rehabilitation required on any infrastructure identified as an Active Transportation facility in the Proposed Active Transportation Network (Appendix A).

 Investors Group Field

But it doesn't end there...

Step 1: Adoption of policy.

Step 2: Acting upon policy.

Step 3: Interpretation of policy.

Step 4: Consistency across policies.
